The complaint and notice of hearing alleged that Respondent American Family Farms, Inc. The complaint and notice of hearing also alleged that as of August 15, 2003, the Corporate Respondent was insolvent, as its current liabilities exceeded its current assets in the amount of \$1,141,203.36. Further, the complaint and notice of hearing alleged that the Individual Respondent was the alter-ego of the Corporate Respondent.

The complaint and notice of hearing was served on both Respondents. The Individual Respondent filed an answer, denying liability. The Corporate Respondent failed to file an answer and was in default. A Decision and Order as to Only American Family Farms, Inc., was issued on October 31, 2006.
